Digital tuner with 30 station presets

Provides fast, accurate tuning to your favourite stations. You can store up to 29 FM and MW stations in memory for fast, easy access.

14-key remote control

Slimline system remote for convenient operation of CD, volume and tuner controls.

Two-way speaker system

Provides higher musical clarity and enhanced stereo sound quality.

Bass reflex speaker system

Acoustic system that enhances the upper bass tones to provide a warmer, punchier bass sound.

Incredible surround

Feature unique to Philips that creates the illusion of the speakers being much further apart than they actually are, resulting in an enhanced, room-filled stereo effect.

Digital DBB+

Active, electronic calibration allows full-bodied, powerful bass boost at all volume levels. Even at the maximum volume

3 band digital equalizer

Allows you to set your personal listening preferences for bass, mid-range and treble frequencies without the restriction of factory pre-sets

Jog control

Intuitively combines responsive high-speed setting changes and super-accurate setting changes.

20-track programmable

Stores up to 20 of your favourite CD tracks for playing back in your order of preference.

CD rewritable compatible

Capable of playing all music CD's, including CD-Recordable and CD-Rewritable discs.

Compact disc digital audio player

Compact Disc technology that combines superb digital sound quality with the convenience of random track access and CD functions like CD programme, Shuffle Play and Repeat.

Shuffle play

Plays disc selection randomly, giving you a new sequence of tracks each time.

Repeat one/ all

Repeats the current track, the total CD, or your pre-selected programme.

Stereo cassette deck

Play back recorded tapes on this full-functional stereo cassette deck, and record from the built-in CD player or tuner.

4" Woofers

Speakers optimised for low frequencies.

2.5" Tweeters

Speakers optimised for high frequencies.

Sound control center

All sound controls conveniently grouped together.

Stereo headphone socket

Enables stereo headphones to be used for private listening pleasure. Automatically switches off speakers when used.
